Attendees: Levinson, Basar, Cangellaris, Hutchinson, Kudeki, Lumetta, Makela, Vaidya, Wong, Nam (guest)

The meeting was called to order at 2:10 PM.

The committee reviewed Nitin Vaidya's proposal for a 198 course intended as an experimental version of ECE110. The committee agreed to send the proposal back to Vaidya for revision.

Steve Lumetta reviewed the final report of the sub-committee that had made a detailed analysis of the present CompE curriculum and a proposal for modifications of it. The committee agreed that the material was complete enough that a draft proposal could be made by Lumetta and the CompE technical area committee for presentation at the next committee meeting.

Erhan Kudeki advised that a proposal for an experimental version of ECE385 was in preparation and should be discussed by the committee at the next meeting. A brief discussion revealed some serious reservations about the idea but it was agreed to discuss the matter fully next week.

The meeting was adjourned at 2:55 PM.
