Minutes of the 2010-11 ECE Curriculum Committee (CC)

December 7, 2010

Present: T. Basar, Bishop, Jones, Kudeki, Levinson, Makela, Vaidya

Minutes of the CC meeting on November 16 were approved.

A few updates regarding curriculum-related issues were provided at the meeting:

- An EE curriculum revision proposal has been sent to the College Executive committee.
- A summary of the "gripe" session held by the IEEE student chapter has been made available to the committee. It will be discussed in a future CC meeting.
- The next ABET review will be in 2013, and Erhan Kudeki has suggested that the CC facilitate the process by requesting self-evaluation from faculty teaching the core courses, as well as course information packages for new courses created since the previous ABET review. The CC will discuss this issue in its next meeting in Spring 2011.
