

# ECE Curriculum Committee Meeting Minutes for April 22, 2010

**Members present:** Tanguil Basar, Stephen Bishop, Kent Choquette, Lynford Goddard, Douglas Jones, Stephen Levinson, Jonathan Makela, Michael Oelze, Sanjay Patel, Nitin Vaidya

1. The Minutes of the April 15, 2010 meeting were approved.
2. The Committee approved the revised ECE 310 outline submitted by Andy Singer.
3. The Committee noted that the ECE 311 outline did not satisfy the standard guidelines for one hour of laboratory credit. The outline will be sent back for reconsideration and revision.
4. The Committee continued discussion and decision on the [core topics in computing](#) essential for all Electrical and Computer Engineers. Significant progress was made, particularly in the digital logic and hardware category.
5. The Committee adjourned at 2:52 PM.

These minutes drafted by D.L. Jones, April 24, 2010; Last updated April 24, 2010
