### ***Minutes of the Curriculum Committee Meeting of September 26, 2002***

1. Members present: Basar, Boppart, Brown, Do, Hutchinson, Levinson, Patel, Sarwate, Sauer, Shanbhag, Viswanath, Wheeler.
2. The committee discussed and approved the ECE 371 request by Gary Swenson for Spring 2003.
3. In response to a request from Steve Franke (the On-Line Coordinator for the ECE), the committee discussed whether or not it should be permissible to use on-line course credits for completing the B.S. degree in EE/CE from off-campus sites. Seth Hutchinson informed the committee that the Undergraduate Advising Office (UAO) has been allowing the use of on-line credits for graduation on a "case-by-case" basis. After the discussions the committee recommends the continuation of the same practice by the UAO in handling future cases of similar nature.
4. The committee continued to discuss the ECE 313 and Advanced Math issues.
5. The next meeting will be at 3 pm Thursday, October 10, 2002 in 312 EH.
