FROM: Erhan Kudeki

SUBJECT: Curriculum committee meeting minutes

DATE: Feb 17, 2006

### **Minutes of the Curriculum Committee Meeting Feb 17, 2006**

- 1) Members present: Tantul Basar, Matthew Frank, Seth Hutchinson, Kanti Jain, Jianming Jin, Doug Jones, Steve Levinson, Pramod Viswanath
- 2) Discussions of ECE 498RS, 'Speech Technology' by Richard Sproat continued. In the revised proposal the course appears as an ECE 398, has a ECE 210 prerequisite, and textbook has been replaced with materials to be distributed in class. Although there were some concerns about the technical level of the proposed course and how the course would relate to existing undergraduate courses in the area of signal processing, the course was approved for Fall 2006 offering with the expectation that answers to these questions and concerns would materialize after the course has been offered once.
- 3) Discussions of the advanced Math Methods course, formerly ECE 271MM and now Math 487, took place. Steve Levinson who was involved in the development of this course was asked to submit a formal proposal to the CC concerning how the course is to be integrated with the ECE curricula.
- 4) The next meeting will take place on Friday, Feb 24, 2006, at 10 AM in 159 Everitt.
